

Portable CLI Fixture

MoonBit Portable CLI

2026-05-30

Portable CLI Report

This fixture is generated with Pandoc and Tectonic. It gives `pdfskill` a realistic PDF produced by a common documentation pipeline.

Checklist

- Wasm command execution
- Portable file input
- Agent-readable reports

Tiny Table

Tool	Purpose
<code>moon</code>	Build and run MoonBit packages
<code>moonrun</code>	Run bundled Wasm skills
<code>pandoc</code>	Produce fixture PDFs from Markdown
